

Title:	Vincent A. Dodd Medal in Biosystems Engineering
Award Type:	Medal
Programme Description:	
Long Description:	This medal was endowed by the family of Professor Vincent A. Dodd who retired from the University in
	2003, after almost twenty-eight years of highly distinguished and dedicated service to the former
	Department of Agricultural and Food Engineering and the former Faculty of Engineering and Architecture.
	Notably, Professor Dodd served as Dean for nine years to September 2001. The medal is to commemorate
	his contributions to the University, in particular his key supporting role in establishing the degree programme
	in Biosystems Engineering. This medal is awarded annually to the student who achieves first class honours
	and the highest Grade Point Average (GPA) in the final year of the ME (Biosystems & Food Engineering)
	programme
