

Event Details

Event:	EdTECxE2017 - EdTECxE Talks - Navigating Digital Learning
Subject:	Integrating educational technologies in teaching, learning and assessment
Event Overview:	The UCD EdTECxE talks returns this year with the theme of Navigating Digital Learning, this one day event will take place on Wednesday, 22 March 2017 in Mason Hayes Theatre (L024), Sutherland Building. The EdTECxE talks are jointly hosted by UCD IT Services and UCD Teaching & Learning in conjunction with the UCD network of Educational Technologists.
Event Objectives:	The aim of EdTECxE talks is to provide a platform for faculty and staff across UCD to share practice and experience of integrating educational technologies in teaching, learning and assessment.
Event Content:	Further information and a schedule for the day will be updated here and via www.ucd.ie/edtecxE Follow us on Twitter #ucdedtecxE
