Event:	PDCD161753 - RMS Profiles - Information Session
Subject:	
Event Overview:	<p>RMS (Research Management System) Profiles enables researchers and academic staff to maintain an up-to-date Researcher Profile to showcase their research expertise on UCD websites. The publicly available Researcher Profiles are used by academics, industry, and R&amp;D organisations to identify potential collaborators for research projects and by potential students to identify supervisors.</p> <p>Why should I use RMS?</p> <ul style="list-style-type: none"><li>* The Researcher Portal is web-based and so is widely accessible online.</li><li>* Duplication of effort is reduced as CV information is entered once and can be reused in a variety of formats and reports e.g. the President's Report, staff web pages, etc.</li><li>* You can download your entire CV into Word to print or use for grant applications.</li><li>* You have control over the information displayed on your web page.</li><li>* Profiles promote and showcase an individual's academic and research achievements.</li><li>* The system will continue to grow and evolve with the needs of the research community.</li></ul>
Event Objectives:	<ul style="list-style-type: none"><li>* Overview of RMS Profiles</li><li>* Demonstration of updating a profile</li><li>* Demonstration of publishing a profile</li></ul>
