| Event: | PDCD161767 - Careers in Research Mgmt/Funding Agencies- Postdoc |
| Subject: | |
| Event Overview: | <p>Careers for Researchers in Research Management/Funding Agencies (Postdocs/PhDs)</p> <p>This session explores the various roles available to someone with a PhD who is interested in supporting excellent science/ research without actually doing research themselves. Equally it will be of interest to researchers who are curious to explore additional career opportunities without leaving the world of research - and potentially strengthening their grant-writing capacity to return to an academic job stronger.</p> |
