

Event Details

Event:	HWB161742 - Personal Health Insurance Seminar - Dermot Goode
Subject:	
Event Overview:	Well-known, independent personal health insurance expert Dermot Goode will hold a seminar for anyone renewing their health insurance in the next 3 months (or has recently renewed their policy and is within the 14 day cooling-off period) who wishes to avoid the latest price hikes. In the seminar Dermot will present the best deals in the market and aims to arm those attending with the necessary details to engage with the insurers knowing what plans to ask for.
Event Objectives:	This session will be of benefit to anyone who fits the following criteria; * If your cover is due for renewal in the next 3 months and you re trying to avoid the latest price hikes * If you re insured on the same plan for 2 years or more or you have all the family on the same plan * If you want to find out the best deals, especially regarding corporate plans across the market * If you want to find out the best discounted offers for families and child dependents * If you re looking to reduce the cost of your health cover but are worried about reducing your benefits or changing provider * If you want to explore cost reduction tactics such as excesses, split cover etc. but don t know how to go about this * If you re interested in guaranteed cover for out-patient expenses or dental costs
Event Content:	
Notes:	Dermot does not represent any one insurance company and will not be looking to sell anything to those attending or take away any contact details. This event is being hosted by Culture & Engagement, and People Development & Organisational Effectiveness UCD HR. Please reserve your place and bring along your policy name on the day so Dermot can answer specific queries.
