<h2>Academic Year 2019/2020</h2>

This module aims to focus on effective lesson planning, observation and feedback strategies for TESOL practitioners. Teachers will be observed and receive feedback on the teaching of an area of TESOL. Participants will also observe the classroom and critically reflect on the appropriate exposure to models of language use and the choice of materials and methods in particular contexts. Successful candidates will gain a comprehensive understanding of lesson planning and classroom management, and will acquire skills for their professional and academic development.
