<h1 class="pageTitle">TS00120 Working with your Supervisor</h1>
<h2>Academic Year 2019/2020</h2>

An effective student-supervisor working relationship is an important factor in progressing your research to completion. Many students new to research are unsure of how the student- supervisor dynamic works, how often should they engage with their supervisor?, who initiates and manages meetings? How is a good working relationship fostered? What to do if things aren t working out
This workshop explores the dynamics of this important relationship and offers tips on optimising the experience from the student s perspective.
