

PhD students are encouraged to enrol in modules specific to their research needs (i.e. in languages, related research methodology courses, etc.). Assessments are specific to each module, though they may be taken on a pass/fail basis (students should confirm this form of registration for external modules).

Curricular information is subject to change

What will I learn?

Learning Outcomes:

On completion of this module the student should be capable of demonstrating a form of knowledge, skill or competency that contributes meaningfully to their doctoral research project.

Indicative Module Content:
