<h1 class="pageTitle">PSY40480 Introduction to Rehabilitation</h1>
<h2>Academic Year 2019/2020</h2>
<strong>\*\*\* Not available in the academic year indicated above \*\*\*</strong>

This module provides students with an introduction to the techniques required to offer clients in disability and related settings an up-to-date, effective rehabiltation service. It presents rehabilitation as a continuum encompassing functional, social, and vocational rehabilitation practices. It explores current methodologies for promoting the development and full participation of those with a range of disabilities such as communication, assessment techniques, psychological supports and assisstive technology.
