<h2>Academic Year 2018/2019</h2>  
<strong>\*\*\* Not available in the academic year indicated above \*\*\*</strong>

An effective student-supervisor working relationship is an important factor in progressing your research to completion. Many students new to research are unsure of how the student-supervisor dynamic works, how often should they engage with their supervisor?, who initiates and manages meetings? How is a good working relationship fostered? What to do if things aren't working out  
This workshop explores the dynamics of this important relationship and offers tips on optimising the experience from the student's perspective.
