<h2> </h2>
```

```
<p>You will&nbsp;develop an understanding of the administrative,&nbsp;legal and policy frameworks in which spatial&nbsp;planning
operates and the social, political,&nbsp;economic and environmental challenges facing&nbsp;planning. In addition students develop practical skills for
plan & policy making, including environmental assessment, retail assessment, public participation methods, development & project
management, and GIS.<br />
<br />
Depending on your interests, you choose to&nbsp;specialise in either development and design, or&nbsp;environmental planning.&nbsp;</p>
```

```
<ul>
  <li>A structured combination of theoretical discussion, practical studio-based learning and independent research.</li>
  <li>Intensive learning experience which is policy relevant and practice related.</li>
  <li>Potential in year 2 (based on competitive selection process) for 1 semester exchange with the Master in Urban Planning Program at the
University of Illinois in Chicago.</li>
  <li>Accredited by the Royal Town Planning Institute and the Irish Planning Institute, which are internationally recognised qualifications</li>
</ul>
